Verse

Yeah, Ooh...Yeah...Ooh baby...Ooh yeah
I can't get the sun rinse out of my head
My baby's trying to get fed
So I'm just trying to do my thing
On the grind with my hustle loaning my chain
Ooh yeah
I'm just trying to get out of here
Kick in the hood so I'm just trying to get my grind on
I just want to have fun with my girls... yeah

Bridge

Hey Babe
Go goodbye
Cause I know it's over yeah
Party time, got my heals on, and I'm trying to get by

Verse

Just want to, have fun so I'm dancing all night
With my heals on, trying to look fly
Got my eye on that guy with those ooh
I see you, grinding
Tilted hat on the side, eh
I'm just trying to have fun now I'm doing my thing
Just trying to have so I'm praying baby
Can we dance on the dance floor
I'm just on my grind trying to hustle

Bridge

Do you got a dime, Ooh
Just having this time of my life, yeah...mmm mmm
Don't want you beat me alive....meet me

Chorus

Ain't no....what you say
So I'm walking away
Cause I know it's over yeah
Party time, got my heals on
And I'm trying to get by ooh

And have a good time, with my girls ooh yeah
I'm giving no sticks
And I'm doing my thing
So I'm holding yeah
Got my G-ride
