Verse

Every time I close my eyes I think of you
And traveling 'bout a thousand miles to see my boo
Dreamin' of your sexy smile
Drives me wild baby ooh ooh
Where are you
I'm rollin', speeding in my six boy just for you
So you can give me some more
Of what I need, to breath
Ohhh!

Chorus

It's all or nothing baby
I want you to know (I want)
No matter what you do....baby....baby
I like the way you make me feel inside....inside.... inside
That gives me what I need... what I need....
Gives me what I need

La la la la la la la la la
Uh Uhhhhh!
I'm rollin', speeding in my six boy just for you
So you can give me some more
Of what I need, to breath
Ohhh!
And I'm gonna succeed
I'm praying you're home
As I see you it's gonna be.....

Bridge

I'll go a thousand miles.... anywhere
No matter how far
I need to go
To see you.... to see you....

Chorus

I'm rollin', speeding in my six boy just for you
So you can give me some more
Of what I need, to breath
Ohhh!
And I'm gonna succeed
I'm praying you're home.....soon
